

# Panel: What are the challenges of remote peering?

Greg Hankins, Moderator

September 20, 2016

EPF 11 - Sofia

# What is remote peering?

- Well, it depends on who you ask...
- IXP connection options
  - Direct connection to IXP (router in facility)
  - Remote connection over transport to IXP
  - Remote connection over reseller to IXP

# Participants

- Mark Cooper, Megaport
- John Hill, Console
- Kurt Erik Lindqvist, LINX
- Matthew Moyle-Croft, Amazon
